Re: Monsanto Soda Springs RI/FS Administrative Order

Dear Mr. Nygard:

Enclosed for your information is a copy of the Special Notice letter, draft Administrative Order on Consent and Statement of Work for the Monsanto Superfund site in Soda Springs, Idaho. Monsanto will have sixty days from the date of receipt of this letter to make a good faith offer to EPA to perform the RI/FS. We therefore anticipate meeting with Monsanto in the coming weeks to discuss their involvement in the RI/FS. If you have any questions regarding the upcoming negotiations please contact me at (206) 442-1271

Sincerely,

A handwritten signature in black ink, appearing to read "John Meyer", with a long horizontal flourish extending to the right.

John Meyer
Superfund Site Manager
